NEW HAMPSHIRE CAMPAIGN PETITION

We the residents of New Hampshire, petition the Legislature and Governor of our State to ban greyhound racing and/or put an end to the subsidies given to the three greyhound racetracks. The revenue derived from the sweepstakes commission was designated ONLY to fund education. Yet, many of these dollars support greyhound racing. As a taxpayer, I demand an end to this. This inhumane and immoral industry continues to abuse these dogs for greed and about 25,000 greyhounds are killed annually.
